Invoice Stack

★★★★★
HubSpot App Marketplace

HubSpot certified app partner

Better Invoicing for HubSpot

Premium HubSpot native integration for QuickBooks Online or Xero

No more messy spreadsheets

Streamline invoicing process in a scalable way, without leaving HubSpot
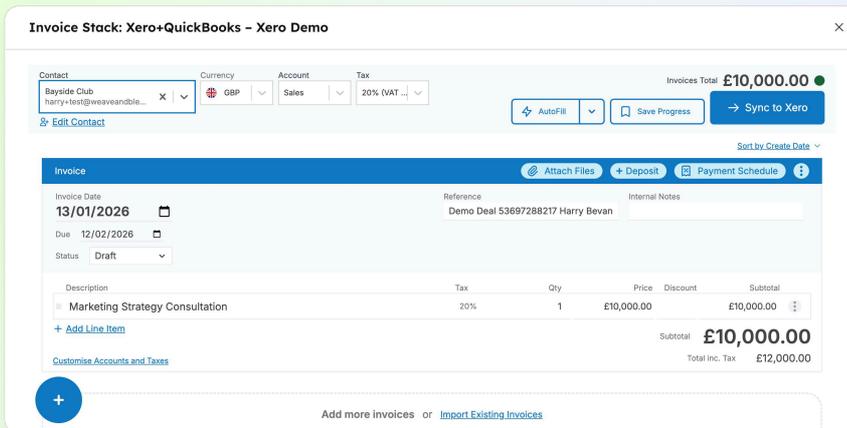

Eliminate errors and copy and pasting

Use deal data to create invoices in seconds

Visibility in HubSpot

Full 2-way sync with support for workflows and reports (Pro and above)

Popular Features

✓ Split Payments
✓ Recurring Billing

✓ Deposits
✓ Subscriptions

✓ Automated invoices
✓ 2-way sync

✓ Accounts
✓ Taxes

+ many more QBO and Xero-native features

Create invoices without leaving HubSpot

Invoice Data synced back to your deal

Key Industries

● Agencies
● Professional Services
● Events or Publishing
● B2B SaaS
● Manufacturing
● Luxury Goods

Is it a good fit?

✓ Multiple invoices per deal
✓ Complex requirements
✓ Finance stakeholders

✗ Using Commerce Hub for Payments
✗ Not creating invoices from HubSpot
✗ Don't use QBO or Xero

Pricing

Starter from $49 USD
Pro from $99 USD (recommended)
Enterprise from $300 USD

Fixed price subscription - no overages.
